Roles for AzEDS Identity Application

Availability
Already available.

Description
The **AzEDS Identity application, available in ADEConnect,** allows student data managers not yet submitting data via AzEDS to look up State Student IDs (formerly SAIS IDs). This application replaces the SAIS ID Search application in Common Logon, which was deactivated on August 31, 2015.

Roles
Please note that these roles have been updated. The roles shown below replace any previously published.

Role Name	Permissions in Application
AzEDS Identity – View	Allows user to SEARCH existing state student IDs (formerly SAIS IDs)
AzEDS Identity – Admin *This role is available only to select personnel working Arizona Department of Education Secondary Approval is required by ADE Support Center before role can be assigned to user. Allow 7 days for processing*	• Search state student IDs • Create state student IDs • Split state student IDs • Merge AzEDS data associated with multiple state student IDs into a single state student ID record
AzEDS Identity - Create	Access to: • Student Identity Search • Student Identity Create *This role requires a secondary approval from ADE before role is assigned to person. Please allow 7 days for processing.*

Note
The AzEDS Identity application in no way changes how State Student IDs should be created. Districts and schools should use their student information systems (SIS) to create new State Student IDs.

Questions should be directed to:
