ESS Census Application Added

Availability

Beginning **August 11, 2015,** ESS Census will be available in ADEConnect.

Description

The ESS Census application collects self-reported counts of special education students from PEAs/LEAs and extracts special education service and integrity records from SAIS for comparison and verification. The results are reported to the federal Office of Special Education Program (OSEP) , and the SAIS counts are used to report the official number of Arizona special education students.
