

August 6, 2015

ESS Monitoring Application Added

Availability

Beginning **August 5, 2015**, ESS Monitoring will be available in ADEConnect.

Description

The ESS Monitoring application (which also includes Annual Site Visit and Specialist sections) enables ADE/ESS program specialists to offer technical assistance and monitor special education programs in school districts and charter schools throughout the state. It also facilitates the provision of statewide technical assistance and oversight to approved private day schools and ED-P programs. Contains data for FY2012 and newer.

Roles

Role Name	Permissions in Application
ESS Monitoring: LEA User	Complete forms for the district (District level only)
