AzEDS Reports - Overview
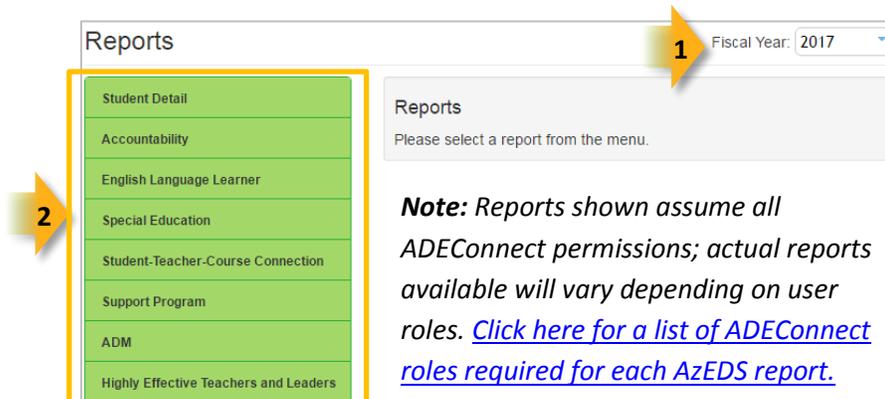

AzEDS Reports are available within the System Portal for users with the proper ADEConnect permissions.

1) Select a **Fiscal Year** before choosing a report. This option defaults to the current fiscal year.

2) AzEDS reports are assigned to the following categories. Click a category to show and access reports.

For instructions on individual reports, click the ℹ icon, available once a report is selected.

Note: Reports shown assume all ADEConnect permissions; actual reports available will vary depending on user roles. Click here for a list of ADEConnect roles required for each AzEDS report.

- **Student Detail:** All reports within this category, except for INTEG15, are pre-integrity:
    - **TRANS10/TRANS15:** Lists successful and failed submissions for a specific day or date range.
    - **STUD10/STUD15:** Lists student detail submissions, such as enrollment, FTE, and attendance data.
    - **INTEG15:** Displays data that passed and failed integrity. Error messages are provided for failed entries so that data can be corrected. This report is updated after nightly integrity successfully completes.
    - **STUD72:** Displays student detail information (enrollment, FTE, DOR, attendance, etc.) for a specific student, or small group of students.
    - **STUD74:** Lists students who have ten or more days of consecutive unexcused absences.

- **Accountability:** All reports within this category are pre-integrity:
    - **STUD77:** Lists students withdrawn during the summer using a summer withdrawal code.
    - **STUD79:** Lists students withdrawn from school using W4, W5, S4, and S5 withdrawal codes. These codes indicate the student was removed from school without graduating, and without further reason.

- **English Language Learner:** Pre-integrity **ELL10** verification report that lists ELL-data submissions.

- **Student Teacher Course Connection:** STC pre-integrity reports:
    - **CRS10:** Lists course-related data submissions.
    - **STAFF10:** Lists staff-related data submissions.

- **Support Program:** All reports within this category are pre-integrity:
    - **SUPP10:** Lists students, and their respective support programs, as submitted to ADE.
    - **SUPP11:** Lists students, and their respective assigned needs, as submitted to ADE.
    - **SUPP72:** Lists students that were submitted to ADE with an NCLB1 or NCLB2 indicator.

- **ADM:** Post-integrity reports that provide calculated funding information:
    - **ADM15:** Displays regular, ELL, and SPED data per student-level membership intervals.
    - **ADM10:** Displays a summary of calculated ADM using regular (non-ELL/SPED) data.
        - SPED and ELL ADM reports are currently under development
    - ***ACE15 INTERNAL ONLY:*** *ADE Support report for troubleshooting inaccurate ADM*

- **Highly Effective Teachers and Leaders:** pre-integrity **HETL10** that lists students voluntarily reporting active military families. This report is only available for fiscal year 2017.
