

Approved Foreign Credential Evaluation Agencies

GENERAL INFORMATION

Certification applicants who are using degree(s) and/or coursework from an institution outside of the United States to meet certification requirements must submit an original evaluation from a Department-approved foreign credential evaluation firm. The agencies listed in this document have been approved by the Arizona Department of Education. Certification applicants must submit the original evaluation from the approved foreign credential evaluation with their application and supporting documents.

Note: Effective January 1, 2019, the Department will only add a foreign credentialing agency to this list if they are a member of the [National Association of Credential Evaluation Services](#) (NACES) or the [Association of International Credential Evaluators, Inc.](#) (AICE). Please contact the Certification Office at Certification@azed.gov if you have any questions
