# ACE15 – ACE Errors Report
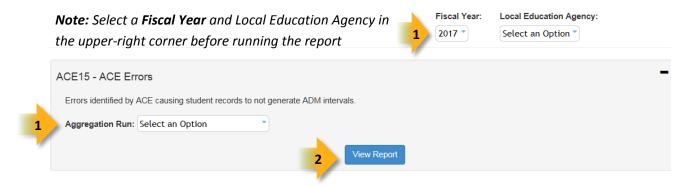

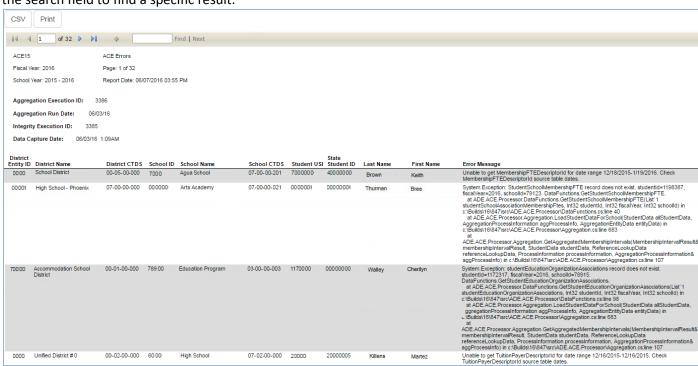

The ACE15 Errors report is an internal report to aide in troubleshooting inaccurate ADM intervals.

*Note: Select a **Fiscal Year** and Local Education Agency in the upper-right corner before running the report*

**Fiscal Year:** 2017

**Local Education Agency:** Select an Option

**ACE15 - ACE Errors**

Errors identified by ACE causing student records to not generate ADM intervals.

**Aggregation Run:** Select an Option

View Report

**(1) Reporting Parameters:** Users must choose a Fiscal Year and specify an Aggregation Run.

**(2) View Report:** Queries the results. Results can be exported to **CSV** or the **Printer**. Type a Name or Number into the search field to find a specific result.

Results show the following information regarding each student failing aggregation:

- **District Entity ID**, **Name**, and **CTDS Number** of LEA reporting student
- **School ID**, **Name**, and **CTSD Number** of school Student attends
- **Student USI** (School ID)
- **State Student ID**

- **Last Name** and **First Name** of Student
- **ACE Error Message** generated when Student failed aggregation. Error messages indicate if there are missing records, missing code values required for the enrollment period, unavailable calendars, overlapping dates, mismatched dates and school associations, and any other situation preventing aggregation rules from completing.
