

DRP10 Dropout Recovery Program Data Verification Report

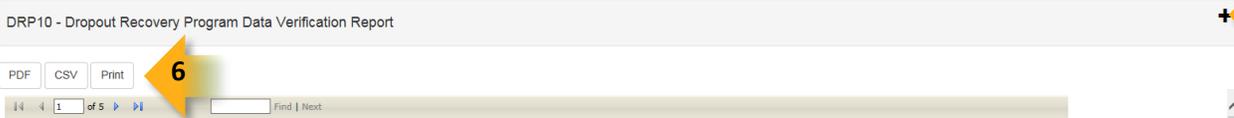

The DRP10 (Dropout Recovery Program Data verification report) displays all the students enrolled in a Dropout Recovery Program operating in accordance with ARS §15-901.06 along with program participation and monthly progress information.

- (1) Reporting Parameters:** Users must first choose a Fiscal Year and Local Education Agency (LEA). These parameters will remain even after leaving this report until a different Fiscal Year or LEA is selected.

The screenshot shows the top section of the report interface. At the top right, there are two dropdown menus: "Fiscal Year:" with "2017" selected and "Local Education Agency:" with "Select an Option" selected. Below these is a large grey box with a minus sign in the top right corner. Inside this box, the text reads "DRP10 - Dropout Recovery Program Data Verification Report" and "This report provides a list of Dropout Recovery Program students and information about their progress in the program as submitted to ADE. This information is available immediately after submission and is pre-integrity." Below this text is a "School(s):" dropdown menu with "Select options" and a checked "Page Breaks between Schools:" checkbox. At the bottom center of the grey box is a blue "View Report" button.

- (2) School-level permissions:** After selecting a Fiscal Year and LEA users must select a school. Users also have an option to include page breaks between schools. This option is only applicable to users with permissions to view submissions from multiple schools.
- (3) View Report:** Queries results (shown on Page 2).
- (4) Collapse:** To provide more room for viewing the report, the **-** button collapses the interface:
- (5) Expand:** Click the **+** icon of a collapsed report to expand the search interface.
