## SUPPORT

<http://www.wested.org>

WestEd is a research, development, and service agency that works with education and other communities to promote excellence, achieve equity, and improve learning for children, youth, and adults.

## DATA

<http://www.ideadata.org>

The Data Accountability Center (DAC) provides public access to the most recent data about children with disabilities served under the Individuals with Disabilities Education Act (IDEA).

<http://nces.ed.gov/>

The National Center for Education Statistics (NCES), located within the U.S. Department of Education and the Institute of Education Sciences, is the primary federal entity for collecting and analyzing data related to education.

<https://www.childtrends.org/databank-indicators/databank-by-life-stage/>

A one-stop shop for the latest national trends and research on over 100 key indicators of child and youth well-being, with new indicators added each month is provided by Child Trends, a national leader in the field for over 20 years.

<http://www.dataqualitycampaign.org/>

The Data Quality Campaign (DQC) is a national collaborative effort to encourage and support state policymakers in improving the availability and use of high-quality education data to improve student achievement. The campaign provides tools and resources that will help states implement and use longitudinal data systems, while providing a national forum for reducing duplication of effort and

promoting greater coordination and consensus among the organizations focused on improving data quality, access, and use.

## **SPECIAL EDUCATION**
