No Action

No Action Taken	No action was taken by the LEA in response to the incident.

Actions within Due Process

The right to due process in disciplinary proceedings is applicable in all instances where the behavior of the student is being evaluated for possible suspension or expulsion. The student must always be treated with fundamental fairness, has a right to be fully informed about his/her alleged breach of behavior and must be provided with an opportunity to respond to such charges.

Appeal Review	When an appeal under Sec 615(k)(3) has been requested by either the parent or the LEA, the state or LEA shall arrange for an expedited hearing, which shall occur within 20 school days of the date the hearing is requested and shall result in a determination within 10 school days after the hearing. IDEA 2004 [615(k)(4)(B)]
Disciplinary Hearing	An official meeting that is held to gather facts about a disciplinary action imposed on a student. This hearing is often done with a designated disciplinary hearing committee, one or more hearing officers, or school board
Individualized Education Program (IEP) Team Meeting	The IDEA federal regulations mandate that certain disciplinary actions by schools trigger the need for an IEP team meeting when: • A student is suspended for ten consecutive days in a school year;
	 A student is considered for expulsion. The IDEA regulations are not fully included here, but in brief, they require that, IEP team meetings held to address disciplinary issues must perform these tasks:
	 Review the child's IEP to determine if it contains all of the required parts.
	 Determine if the IEP is appropriate, given the child's behavioral needs.

- If the IEP is not appropriate, the team must develop appropriate goals, objectives, a behavior intervention plan, and support services such as counseling, referral to area mental health services, or other appropriate service to address any deficient areas on the plan.
- Determine if the educational setting is appropriate for the child.

Does the child need a more structured environment, an alternative program, day treatment, or other program? If the setting is not appropriate, the team must provide an appropriate placement.

Determine if the child's behavior is related to his disability. If
the child's behavior is related to his disability, schools are not
to continue suspending or expelling the student without
providing special education services that are required by the
IEP. Instead, they must focus on providing an appropriate
program to accommodate the disability. Schools are required
to provide a full continuum of educational placements to meet
a broad range of needs. (About.com: Learning Disabilities)

Schools must ensure that regardless of suspensions or expulsions:

- Special education students receive the same services that regular education students receive during suspension or expulsion;
- Special education services receive services required by the IEP;
 and
- Services are provided in appropriate settings.

Special circumstances exist when students are disciplined for weapons, assault with serious bodily injury, or drugs and different rules will apply.

Manifestation Determination

Within 10 school days of any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the LEA, the parent, and relevant members of the child's IEP team (as determined by the parent and the LEA) must review all relevant information in the student's file, including the child's IEP, any teacher observations, and any relevant information provided by the parents to determine:

• If the conduct in question was caused by, or had a direct and substantial relationship to the child's disability; or

Page 3 - AzSAFE Definitions for Actions

	If the conduct in question was the direct result of the LEA's failure to implement the IEP. (OSEP)
Placement Review Committee	A.R.S. §15-841. Responsibilities of pupils; expulsion; alternative education programs; community service; placement review committee
	J. Each school shall establish a placement review committee to determine the placement of a pupil if a teacher refuses to readmit the pupil to the teacher's class and to make recommendations to the governing board regarding the readmission of expelled pupils. The process for determining the placement of a pupil in a new class or replacement in the existing class shall not exceed three business days from the date the pupil was first removed from the existing class. The principal shall not return a pupil to the classroom from which the pupil was removed without the teacher's consent unless the committee determines that the return of the pupil to that classroom is the best or only practicable alternative. The committee shall be composed of two teachers who are employed at the school and who are selected by the faculty members of the school and one administrator who is employed by the school and who is selected by the principal. The faculty members of the school shall select a third teacher to serve as an alternate member of the committee. If the teacher who refuses to readmit the pupil is a member of the committee, that teacher shall be excused from participating in the determination of the pupil's readmission and the alternate teacher member shall replace that teacher on the committee until the conclusion of all matters relating to that pupil's readmission.
Board Review	School boards have the right to review student disciplinary actions imposed by a disciplinary hearing committee.

Direct supervision means school personnel are physically in the same location as students under their supervision. (OSEP)

Other Removals or Reassignments

other removals of reassignments		
Removal by students IEP team to an Interim Alternative Educational Setting	Interim Alternative Educational Setting — An appropriate setting determined by the child's IEP team in which the child is placed for no more than 45 school days. This setting enables the child to continue to receive educational services and participate in the general education curriculum (although in another setting) and to progress toward meeting the goals set out in the IEP. As appropriate, the setting includes a functional behavioral assessment and behavioral intervention services and modifications to address the behavior violation so that it does not recur. A unilateral removal is an instance in which school personnel (not the IEP team) order the removal of children with disabilities from their current educational placement to an appropriate interim alternative educational setting for not more than 45 school days. The IEP team is responsible for determining the interim alternative educational setting. Unilateral removals do NOT include decisions by the IEP team to change a student's placement. (OSEP)	
Removal by hearing officer for likely injury to self or others	Those instances in which an impartial hearing officer orders the removal of children with disabilities from their current educational placement to an appropriate alternative educational setting for not more than 45 school days based on the hearing officer's determination that maintaining the child's current placement is substantially likely to result in injury to the child or others. The IEP team is responsible for determining the interim alternative educational setting. (OSEP)	
Reassignment to a Different Class	Student removed by school administration from one class and placed in another class with a different instructor	
Reassignment to Another School within District	The student was reassigned to another school facility or program within the district that allowed him/her to continue to participate in the general curriculum at a school setting, including students receiving prescribed special education services who continued to receive these services.

The state of the s	 when their anger is harmful versus when it is beneficial
	what triggers their anger
	 how they typically respond when angry and the resulting consequences
	alternate ways for expressing their anger more appropriately
	 strategies for managing their anger including self-talk, personal time-outs, problem solving, and relaxation techniques
	(Paraphrased from Wiktionary)

Behavior Intervention Group: Other Group	Defined by the Local Education Agency (LEA).

Peer Mediation	The goal of peer mediation is to reduce conflict and provide children with problem-solving skills. Trained peer mediators create a safe

	atmosphere, allowing disputing students to tell their stories and assisting them in working out a mutually acceptable agreement. Since a solution is not forced on the students, the disputants feel empowered to take responsibility for their actions and to deal constructively with their immediate and future disagreements. The conflicts that lend themselves to peer mediation include interpersonal disputes like friendship issues, verbal harassment, spreading rumors, physical aggression, or other bullying behaviors. Assault or other criminal activities are not referred for peer mediation. Peer mediators are trained students who are taught communication and mediation skills. The youngest peer mediators in most programs are fourth graders, although younger students have been trained in some schools. Trained mediators reportedly exhibit increased self-control, self-confidence, and problem-solving skills which they use not
	only at school, but at home and with friends outside of school. Both mediators and disputants learn to communicate more effectively and solve problems without violence (Leah Davies, M.Ed., Solutions Through Peer Mediation)
Privileges Suspended	For a specified period of time, the student is not a recipient of privileges (such as using the parking lot, attending school sponsored events, participating in extracurricular activities, etc.).
Restitution	Repaying or compensating for loss or damage. (Webster's II New College Dictionary)

Those who are accepted into the program must go "to a sentencing trial" in a real courtroom with teens serving as prosecuting and defense attorneys. An adult judge presides and a teen jury determines the sentence, which includes mandatory community service and jury duty in future Teen Courts. Upon successful completion of the program charges against the defendant are dismissed (Colorado Springs, Teen Court)
Threat Assessment	A process that involves identifying, assessing, and managing individuals that might pose a risk of violence to identified or identifiable target (U.S. Secret Service & U.S. Department of Education, Threat Assessment in Schools).
