Coming in FY22: This rule will update to validate needs approved by dates within the Fiscal Year.

Troubleshooting:

- Verify correct Needs are reported.
- Check the published approved sites on the AZED website under Approved Private Day Schools and Residential Treatment Centers:
<https://www.azed.gov/specialeducation/non-public-organization-calendars>
- Once corrected, allow integrity to run overnight to see if student is passing integrity on SPED72 report

A listing of all Integrity Rules can be found on the [AzEDS website](#).
