-40034
If the student is attending a ASDB school, is at least one reported need HI and/or VI?

Troubleshooting:

- Check to ensure HI and/or VI needs are reported for all dates during a reported enrollment at an ASDB school.
- If exit dates are entered for Enrollment or SPED, ensure corresponding exit dates are entered in Enrollment and SPED.
- Once corrected, allow integrity to run overnight to see if student is passing integrity on SPED72 report.
