

Integrity Error -40048

Error Message:

Student must have a Least Restrictive Environment (LRE) with a start date > the latest exit date of a SPED Exit code 9.

Description:

If the Least Restrictive Environment does not have a start date > the latest exit date of Least Restrictive Environment with a SPED Exit code 9 (Ends one LRE but starts another), then report the discrepancy as an error.

Example:

- SPED
 - Previous LRE
 - SPED Exit code 9
 - Entry Date
 - Exit Date
 - New LRE
 - Entry Date
 - Exit Date
- ➔
- 40048

Is the new LRE entry date
the next in-session day?

Troubleshooting:

- SPED Exit 9 is only valid when changing LRE within the same school site.
- Verify correct LRE entry and exit dates are reported.
- Verify LRE entry and exit dates are reported on in-session days of the reported calendar.
- Allow integrity to run overnight to see if student is passing integrity on SPED72 report.

A listing of all Integrity Rules can be found on the [AzEDS website](#).
