

Integrity Error -40050

Error Message:

Student participating in special education must have one Federal Primary Need Indicator (FPNI).

Description:

If a student with a SPED need does not have one Federal Primary Need Indicator (FPNI) and receiving special education, then report the discrepancy as an error.

Example:

- | | | |
|---|---|---|
| <ul style="list-style-type: none"> • SPED <ul style="list-style-type: none"> ○ Need <ul style="list-style-type: none"> ▪ Entry and Exit dates ▪ Primary or Secondary ○ LRE <ul style="list-style-type: none"> ▪ Entry and Exit dates |  | <p style="text-align: center;">-40050</p> <p style="text-align: center;">During the time of the reported LRE, is one of the Needs reported as Federal Primary Need?</p> |
|---|---|---|

Troubleshooting:

- Verify Need and LRE Entry and Exit Dates.
- Verify Primary Need dates encompass all dates of reported LRE
 - Note: A Primary Need can be exited and a new Primary Need reported within a single LRE, as long as all dates of the LRE have a Primary Need reported.
- Verify Need FPNI (Federal Primary Need Indicator)
 - CONSULT THE STUDENT'S IEP TO DETERMINE THE FPNI. FPNI is not determined by funding or order of entry.
 - The FPNI is defined as the need that most adversely affects the student's ability to progress through the general curriculum.
- Once corrected, allow integrity to run overnight to see if student is passing integrity on SPED72 report.

A listing of all Integrity Rules can be found on the [AzEDS website](#).
