

Quiziz is a FREE application

Before you present

Go to <https://quizizz.com>

1. Click on the red “Sign Up” button
2. If you want to use your Google account to log in, click on the “Sign up with Google” button
3. If you would prefer to create a new account, click on the “Sign up with email” button
4. Confirm your account by responding to the email sent by Quizizz

When you present

1. Log into Quizizz (with your default browser) before you begin the presentation
2. When you reach the “ACTIVITY” slide, distribute the scenarios and PWN templates
3. Give participants 10 to 20 minutes to complete their PWNs (or not)
4. On the next slide, allow participants to swap and discuss
5. When you reach the “QUIZIZZ” slide, click on the picture to open the quiz

When the quiz opens

1. When the browser opens, click on the “PLAY LIVE” button in the top right corner (it’s purple)
2. Adjust the window (if necessary) to full screen
3. Participants take the quiz by going to join.quizizz.com on a phone, tablet, or laptop
4. Once participants have joined, click on the now flashing start button
5. As participants complete the quiz, progress is displayed

Suggestion: for anonymity, tell participants to make up silly names
