

Unannounced Review Policy

RE: CACFP Site Monitoring – Unannounced Reviews

Attention All Staff,

The sponsoring organization, the Arizona Department of Education (ADE), the United States Department of Agriculture (USDA), and other State and Federal officials have the right to make announced or unannounced reviews during normal business hours. Anyone making such reviews must show a photo ID that demonstrates that they are employees of one of these agencies.

ADE is required to conduct a percentage of unannounced reviews. Federal regulations do not require advance notification. The Sponsor, _____, is required to conduct at least three visits every year at each site, with not more than six months elapsing between monitoring visits. At least two of the three visits must be unannounced and one of the unannounced visits must include a meal observation. It is best practice to observe a meal during each review. CACFP's Monitor Evaluation Form must be used.

As a reminder, please retain the following additional items onsite in your CACFP files:

Current FY completed income affidavits	Production Worksheets
