

## Child and Adult Care Food Program Participant Menu Modification

This facility participates in the Child and Adult Care Food Program (CACFP) and serves meals and snacks in accordance with CACFP regulation. Menu modifications are *required* for any participant who discloses a food allergy, intolerance, medical condition, or any major bodily function affected by a food item. All required menu modifications must reasonably accommodate a participant's need. Menu modifications are *optional* for any participant who has a non-medical personal preference, and an accommodation may be made at the customer service discretion of the facility.
