Public Education Agency (PEA) Determinations
FFY 2017 Appeal Form

Under Section 616 of the Individuals with Disabilities Education Act 2004 (IDEA), States are required to make a determination for all public education agencies (PEAs) of their performance on identified special education criteria. The Federal Fiscal Year 2017 determination was sent electronically through ADE Connect to your agency in September 2019. **The determination is final unless your agency appeals by October 4, 2019.**

A written appeal may be filed if the PEA has documentation that shows the data used to issue the Determination are inaccurate. If the PEA submitted inaccurate data and did not correct the data when given the opportunity by the Arizona Department of Education/Exceptional Student Services (ADE/ESS), then the Determination level will not be changed, regardless of the appeal.

Use this PEA Determination Appeal Form to submit within the given timeline. Upon receipt of the appeal, the ADE/ESS will review and give a written response within 30 days. If the appeal is granted, the ADE/ESS will issue a final determination within 30 days of the written response.
