Reflection

- What are the implications of the Fundamentals of Learning and the attributes you developed for your classroom culture, your learning, and your school's adult learning culture?

Revisit your/our definition of student agency. Do you want to revise or add anything to your initial thoughts?

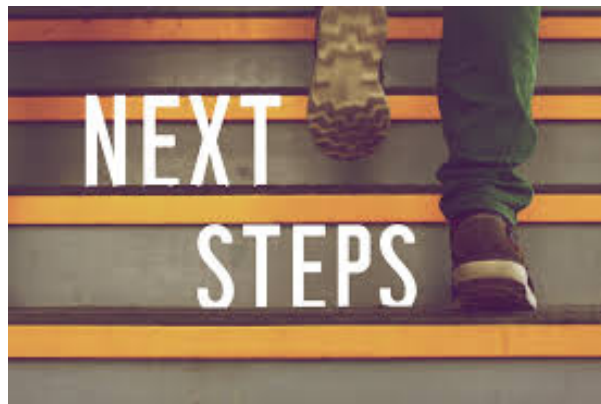

“Developing a Vision for Student Agency”

Learner agency is the set of skills, mindsets, and opportunities that enable learners to set purposeful goals for themselves, to take action in their learning to move toward those goals and to reflect and adjust learning behaviors as they monitor their progress toward their goals.

-Assessment for Learning Project, 2018

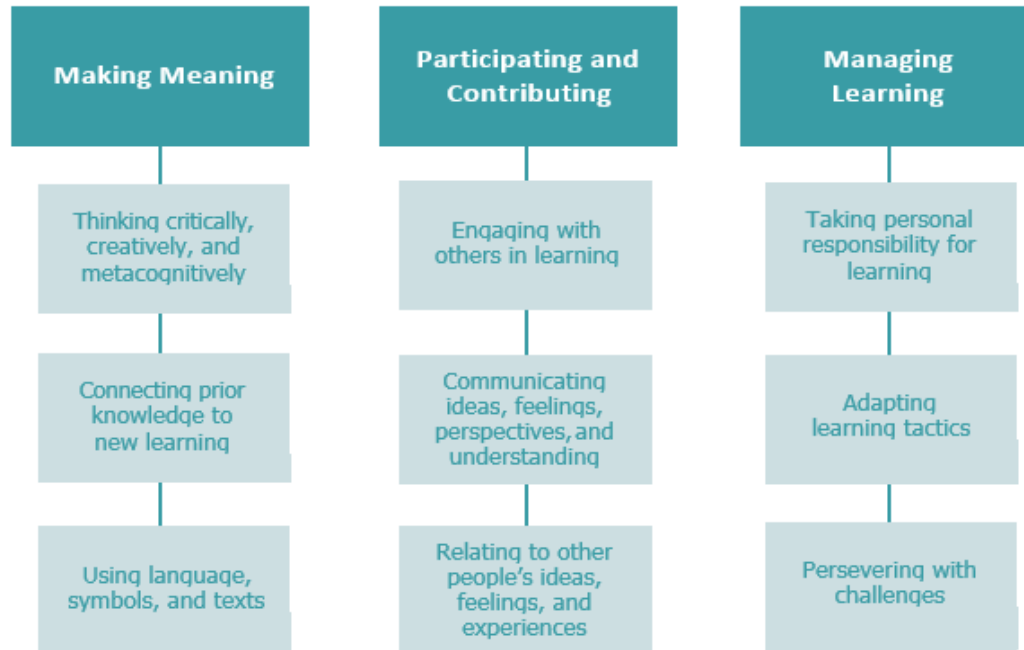

Based on our learning today, share one **next step** you could make related to your classroom culture, your professional learning, or your school's adult learning culture?
