

FRAMEWORKS: PROFESSIONAL DEVELOPMENT

The purpose of professional development is to provide key 21st Century Community Learning Centers (21st CCLC) grant leadership the opportunity to understand the grant elements and opportunities related to a successful 21st CCLC program. Annual participation in Professional Development (PD) is a **requirement** of the grant for 21st CCLC district administrators, principals and site coordinators and is relevant to program success.

The goal for 21st CCLC professional development is for grants and State specialist to introduce, define, or refine assets related to grant objective and outcomes. This opportunity should be collaborative in nature and provide hands-on learning with colleagues. Each approved grant promised in their application that they would annually participate with the site principal, site coordinator and other key leadership to continue to gain knowledge of afterschool.
