

# I Applied for the Empowerment Scholarship Account, What's Next?

45 day processing period

If your application is missing any required documents, it will be considered **Incomplete**. You will receive an email stating immediate action is required. Parent will have 30 days to provide the requested documents from the date of the email. Once the documents are received it will return to queue for a second review.

\*This process will repeat if the newly provided information is not valid\*

Once you have electronically signed the contract, and returned it to ESA; you are now stating that your student is **not** enrolled in a public school.
