<b>FY21 Preliminary Award</b>	<b>\$24,379,389.00</b>	
FY21 Estimated Total for LEA Assistance (95% of Preliminary Award)	\$23,160,419.55	
<b>FY21 Preliminary Allocation (90% of Estimated Preliminary Award for LEA assistance)</b>	<b>\$20,844,377.60</b>	<i>*Total based on rounding format required for GME</i>
<b>Overall percentage Change from FY20 Title IV-A Original Allocation Loaded in GME</b>	<b>-15%</b>	

**Calculation Methodology:**  
 1. Calculate initial FY21 Preliminary Allocation as 90% of estimated preliminary award for LEA assistance based on final FY20 Title I-A allocation award data and Title IV-A estimated preliminary award amount provided by ED  
 2. FY21 Final Allocations will be recalculated based on final FY21 award data received from ED, and final FY20 Title I-A approved cohort. Prior year adjustments and MOE adjustments will also be applied, as applicable.  
**\*\*NOTE: Final FY21 allocations may vary based on final award amount and allocation data received from ED. LEAs must have received Title I-A in FY20 to be eligible to receive FY21 Title IV-A funds. An LEA may be considered ineligible when final allocations are calculated if the LEA did not receive Title I-A for FY20**
