

## Free and Reduced-Price Policy Statement Non-Pricing Program for CACFP

### Introduction

In accordance with 7 CFR 226.23, each sponsoring organization participating in the Child and Adult Care Food Program (CACFP) must develop a written policy statement concerning free and reduced-price meals to be used in all child/adult care facilities under its jurisdiction. Sponsors just beginning participation in the CACFP must submit their policy statement to ADE for review as part of the new sponsor application process. The policy statement becomes a permanent document but must be amended when the sponsor makes a substantive change to its free and reduced-price policy.
