Troubleshooting:

- Verify the LRE Exit Date matches the last in-session day of the reported calendar for the student.
- If multiple LREs are reported for the student at the same site, this rule will only validate the latest reported SPED Exit Date.
- Verify reported calendar is passing integrity.
- This rule will not apply for entities without calendars.
- Once corrected, allow integrity to run overnight to see if student is passing integrity on SPED72 report.
