**RE:** **A.R.S. 15-232 Semiannual Report to the Arizona Legislature from ADE/Adult Education Services**

Of the 10,209 people who applied for instruction in Arizona Adult Education during the reporting period, 405 people (4% percent) were denied instruction because they failed to provide acceptable evidence of citizenship or legal residence in the United States.

At the time of enrollment, ALL students must provide documented proof of legal residency. To ensure compliance with ARS 15-232 C, Arizona Department of Education (ADE) staff conducts on-site inspections of student enrollment records annually.

The following table provides current and historical state totals for the number of people who are waitlisted for classes, who applied for classes, and who were denied enrollment in accordance with ARS 15-232 C in each Adult Education Service area.
