Is the student
enrolled at the same
site the next in-
session day?</p> | <p>Students continuing enrollment at the same site the next in-session day cannot be exited from SPED as SPED05 (Moved, known to be continuing).</p> |

Troubleshooting:

- Verify the LRE Exit Reason is accurate.
- Verify the student's enrollment at the site does not include the next in-session day according to the calendar.
- Verify the reported calendar is passing integrity.
- This rule will not apply for entities without calendars.
- Once corrected, allow integrity to run overnight to see if student is passing integrity on SPED72 report.

A listing of all Integrity Rules can be found on the [AzEDS website](#).
