

# Content Domains

Medical Assisting Services 51.0800.60

The technical standards for the Medical Assisting Services Program are clustered in 4 domains. The greatest percentage of instructional time will be spent on domains 1 and 2 with less time on domains 3 and 4. Students who complete the program should demonstrate a thorough knowledge in each of these domains. (updated May 2019)

# Content Domains, Standards and Instruction

Medical Assisting  
51.0800.60
