FAQ

The necessary roles for the ESS Vouchers and Claims application are as follows:

- **Residential Treatment Centers** only need the role of **ESS Vouchers: RTC User**
- **Home School Districts** only need the role of **ESS Vouchers: HSD User**
- **State Placing Agencies** only need the role of **ESS Vouchers: SPA User**
- **Institutional/ASDB** only needs the role of **ESS Vouchers: Institutional User**
- **High-Cost Child and ESEN Users** may have the **HSD User** role assignment too, but the RTC, SPA, and Institutional User roles will not allow you to access the system.

Please be sure your entity administrator assigns you the **correct** role(s). You will receive the below error message if you have multiple roles and/or the wrong type of role.

This user is not authorized to access the system at this time. Please view the Voucher Role Assignments guide, then contact the ESS Vouchers team if needed.

Once the role is assigned, allow [ADEConnect](#) up to 15 minutes to refresh to access the system.
