

Webinars on the go!

ADE is pleased to announce that we have many new recorded webinars available for use on our main [Science Standards](#) web page. Scroll down and click on the drop-down menu titled “**Recorded Webinars.**” The webinars are now “packaged” on the web page and include the video of the webinar, a PDF of the presentation, and a resource page with links to all resources used during the live webinar!

From our MOWR Team

Each of these elements of the comprehensive assessment cycle are key to advancing student growth in reading. Click on each element in the triangle to watch a video and learn more.

Take a look at these [3 very short videos](#) to better understand how screening, diagnostics, and progress monitoring work together in K-3 schools.

the first 4 sessions are available anytime at the [Tech 4 the Times website](#) under [Schedule](#).

The infographic details the 'Tech 4 the Times' sessions. It is organized into three main stages: 1. WATCH (Pre-Recorded Webinar), 2. JOIN (Professional Colleagues for Facilitated Discussion and Q&A Session), and 3. RECEIVE (All attendees will receive a certificate as proof of participation). The sessions are scheduled as follows: Wednesday, July 15 (4:30-5:00) for 'How To Promote Discourse With Your Students'; Monday, July 20 (4:30-5:00) for 'How to Collaborate & Show Evidence of Collaboration'; Wednesday, July 22 (4:30-5:00) for 'Increasing Student Engagement'; Monday, July 27 (4:30-5:00) for 'Journaling With Your Students'; and Wednesday, July 29 (4:30-5:00) for 'Evaluating Tools for Tech'. A QR code is provided for more information. Logos for AATM, AACHE, AZTEA, and ASTA are at the bottom.
