Primary Nighttime Residence of Homeless Children and Youth

The number of homeless children and youth by primary nighttime residence at any time during the regular school year. The primary nighttime residence should be the student's residence when he/she was identified as homeless.

Primary Nighttime Residence	# of homeless children/youth
Shelters, transitional housing	5362
Doubled-up (i.e. living with another family)	15285
Hotels/Motels	1660
Unsheltered (e.g. cars, parks, campgrounds, abandoned buildings)	628
TOTAL	22,935

* The types of primary nighttime residences for identification of McKinney Vento (Homeless) populations was an area of concern as LEA's were using the "unknown" category, which had a direct impact on data.
