

Walk for Inclusion

After the Early Intervention/Early Childhood Special Education Summit, head outdoors for a virtual walk with the Arizona Division of Early Childhood! There is no specific distance to go and you can do it in your own town and neighborhoods. After you have completed your walk, take a short survey and be entered to win prizes! Walk for Inclusion funds raised will be given back to EI/ECSE professionals to support inclusion of children birth to Kinder entry with disabilities!

*AZDEC-Mini Grant Form
