Professional Development For CTE Teacher Certification

CTE Webpage: azed.gov/cte/certification-professional-development

Courses are available to new CTE teachers to help satisfy deficiencies listed on the Arizona Educator Certificate. Professional organizations, postsecondary institutions, CTEDS, and districts can apply with ADE CTE to offer semester-hour accredited Professional Development (PD).

List of Approved Courses for Certification Credit – [click here](#)

15 semester hours may be obtained through Arizona State Board-approved CTE professional development (PD) courses involving pedagogical knowledge to clear certificate deficiencies for Option A and C teachers. Approved PD can also be used for the prerequisite 3 semester hours towards CTE certification for Option B application qualifications*.

CTE Approved PD Areas:

- 1- Principles/philosophy of career and technical education*
- 2- Developmentally (age) appropriate instructional delivery, facilitation, and methodologies*
- 3- Instructional technology*
- 4- Instructional design, and lesson planning to include modifications and accommodations, assessing, monitoring, and reporting progress
- 5- The learning environment to include classroom management
- 6- Teaching students with exceptionalities
- 7- Professional responsibility and ethical conduct

*Approved for Option B applications for CTE teacher certification
