### A. LEA Arts Education Enrollment Data

*To ensure that all children receive a high-quality education, and to close the achievement gap between children meeting the challenging State academic standards and those children who are not meeting such standards, each local educational agency plan shall describe— (1) how the local educational agency will monitor students’ progress in meeting the challenging State academic standards by—*

*(A) developing and implementing a well-rounded program of instruction to meet the academic needs of all students – ESSA Sec 1112*

*WELL-ROUNDED EDUCATION.—The term “well-rounded education” means courses, activities, and programming in subjects such as English, reading or language arts, writing, science, technology, engineering, mathematics, foreign languages, civics and government, economics, **arts**, history, geography, computer science, **music**, career and technical education, health, physical education, and any other subject, as determined by the State or local educational agency, with the purpose of providing all students access to an enriched curriculum and educational experience- ESSA Sec 8201*

- For this section, Title IV-A staff will be pulling LEA student course enrollment data as reported to the Arizona Department of Education. Information is displayed through our Arizona Arts Education Data Dashboard: <https://azarts.gov/azartsed-explorer/>

## B. LEA School Arts Education Access Data

*Students shall demonstrate competency as defined by the State Board-adopted academic standards, at the grade levels specified (K-8), in the following required subject areas. District and charter school instructional programs shall include an ongoing assessment of student progress toward meeting the competency requirements. These shall include the successful completion of the academic standards in at least reading, writing, mathematics, science and social studies, as determined by district and/or statewide assessments.*

*1. English language arts; 2. Mathematics; 3. Science; 4. Social Studies; including civics; 5. **The Arts, which may consist of two or more of the following: visual arts, dance, theatre, music or media arts**; 6. Health/Physical Education. R7-2-301*

1. State statute requires that each K-8 student “demonstrate competency” of two artistic disciplines each year.

**Schools not meeting this requirement:**

Name of School	Arts Discipline Offerings
