## State Performance Plan/ Annual Performance Report

FFY 2017

Indicator 3B \&
3C

## State Assessment Participation Rate in ELA and Math

State Assessment Proficiency rate in ELA and Math

## Indicator 3B Statewide Assessment Participation Rate

Uses the same data \& targets as is used for reporting under Title I of the ESSA

Calculate separately for reading and math

Includes students with IEPs who participated in AzMERIT \& MSAA

Includes children with IEPs enrolled for full academic year \& those not enrolled for a full academic year.

Calculation: \% of children w/ IEPs participating $\div$ total children w/ IEPs enrolled during the testing window.

## Assessment Participation Rate

Indicator 3B Participation :: FFY 2017

## Indicator 3C :: Statewide Assessment Proficiency Rate

## Calculation:

- \% of children with IEPs scoring at or above proficiency $\div$ children w/IEPs receiving a valid score \& assigned proficiency level.

## ESSA:

- Data \& Targets are the same as reported by State under Title I of ESSA

## Includes:

- All ESSA grades assessed (3rd-8th \& HS)
- All children w/ IEPs at the time of testing
- All students w/ IEPs who participated in AzMERIT \& MSAA

## Additional Information:

- Calculations and targets set separately for reading/language arts \& math by grade level
