

K-12 Standards ~ Newsletter May 2020 #128

[Visit K-12 Standards](#)**PROFESSIONAL DEVELOPMENT NEWS***Supporting standards. Supporting success*

THANK YOU!!

We'd just like to take this opportunity to recognize the lasting contributions you made on our children's lives throughout the years. Thank you for doing even more to continue educating them with virtual classrooms and at home lessons during this pandemic. Thank you for making sure every child has the tools they need to reach their full potential. Please take a moment to listen to this [special message](#) to you from Lily Eskelsen Garcia.

ADE K12 STANDARDS OFFICE HOURS PROJECT

To help meet the content-area needs of schools and districts around the state, the ADE K-12 Standards team has begun its Office Hours Project. Each week, we are holding virtual meetings with k-12 content leaders in math, English language arts, social studies, world & native languages, and science.

**EDUCATION
TECHNOLOGY****ENGLISH
LANGUAGE
ARTS****MATH****SCIENCE/STEM
COMPUTER
SCIENCE**

gather feedback on areas of need for schools and teachers in the content areas, and to brainstorm solutions and create resources to meet those needs. We want to bring schools and districts together from around the state to share solutions to the unique challenges that we are all currently facing.

Here are the names and contact information for each of the content areas:

- [English Language Arts – Amy Boza](#)
- [Math – Suzi Mast](#)
- [Science – Sarah Sleasman](#)
- [Social Studies – Tammy Waller](#)
- [World & Native Languages – Tammy Waller](#)

Join the STEMAZing Project from Tuscon, Arizona, #SciencingAndEngineering with @TheSTEMAZingPro and @RobotGeneral5 on Wednesday, May 13, 2020 to help both parents and teachers engage their learners to DO some real science and engineering while at home. These lessons also showcase best practices using 3-dimensional science instruction.

[Registration](#) is now open!
