Timeline of IDEA Grants

The project period for FY22 IDEA grants is July 1, 2021-September 30, 2022.

PEAs may submit reimbursement requests throughout the year once SEA Director approval is granted.

Completion reports will open July 1, 2022 but are not due until December 30, 2022.

Revisions are required any time the scope of work changes in your budget narratives or the amounts change because of allocation adjustment.
