If the site reported is an ASDB site, are all dates of the enrollment reported with a Tuition Payer Code 7?

Troubleshooting:

- Verify tuition payer code dates.
- Verify Tuition Payer Code 7 dates cover all ASDB site Enrollment dates.
- If an exit date is reported for either the ASDB Enrollment or the Tuition Payer Code 7, ensure exit dates are reported for both.
- Once corrected, allow integrity to run overnight to see if student is passing integrity on the INTEG15 report.
