Educator Preparation and Certification

EDUCATOR PREPARATION PROGRAM STATEMENT OF ASSURANCE

Arizona Board of Education Rule R7-2-604

General Information

A.R.S. § 15-756.09 requires that all Board-approved teacher preparation programs that provide a degree in education require the courses that are necessary to obtain a full Structured English immersion (SEI) endorsement. Board rule R7-2-604.02 requires that Board approved programs provide their students with an institutional recommendation within 45 days of program completion. This Statement of Assurance is used to verify that your educator preparation programs (EPPs) are in compliance with A.R.S. § 15-756.09 and Board rule R7-2-604.02.

Directions

This form must be completed and signed by the academic dean or designee responsible for educator preparation program quality.

1. Enter your institution's name and program name. Complete a separate form for each teacher preparation program offered by your institution.
2. Review and confirm each check box below.
3. Sign and date this form.
4. Save documentation that the Structured English Immersion courses offered by your institution have been reviewed by the Office of English Language Acquisition Services (OELAS) as a PDF.
5. Submit the completed form(s) and supporting documentation from OELAS to EPP.Inbox@azed.gov.

INSTITUTION NAME:

PROGRAM NAME:

- I verify that the above-named Professional Preparation Institution and program requires courses necessary to obtain a full Structured English Immersion Endorsement.
- The courses listed below align with the SEI Course Frameworks approved by the Arizona Board of Education on September 28, 2020. *Note: If additional room is needed please include the SEI course information in a separate document.*

Course Prefix and Number	Course Title

- I understand that Board approved educator preparation programs shall provide their program completers with an Institutional Recommendation for issuance of the appropriate Arizona certification within 45 days.
