

EMERGENCY MEDICAL SERVICES 51.0900.30

Program Description, Industry Credentials, Coherent Sequence, and Teacher Certification Requirements

PROGRAM DESCRIPTION

The **Emergency Medical Services** program prepares students to recognize, assess, and manage medical emergencies in the pre-hospital environment. It is the entry-level of training in the **Emergency Medical Services** career field. This program will develop the student's confidence, knowledge, and skills in performing critical assessment and management of patients with medical and trauma-related life threats. It also focuses on the development of an EMT's critical role as a team member during patient crisis situations.

The **Emergency Medical Services** program is designed and delivered as a coherent sequence of school-based and work-based supervised learning. The Professional Skills developed by business and industry leaders across Arizona are integrated throughout the program. The **Emergency Medical Services** students develop leadership, social, civic, and career skills through participation in the Career and Technical Student Organization HOSA (Future Health Professionals).

The **Emergency Medical Services** instructional program prepares students for entry-level employment, further training, and/or post-secondary education for these and other occupations: Emergency Medical Technician, Medical Transporter, Emergency Medical Responder, and Medical Technician
