Program Description, Industry Credentials, Coherent Sequence, and Teacher Certification Requirements

PROGRAM DESCRIPTION

The **Home Health Aide** program prepares individuals to provide routine care and support services for homebound disabled, recovering, or elderly people. This program includes instruction in basic nutrition, home sanitation, infection control, first aid, taking vital signs, personal hygiene, interpersonal communication skills, supervised home management, emergency recognition and referral, geriatric care, and legal and ethical responsibilities.

The **Home Health Aide** program is designed and delivered as a coherent sequence of school-based and work-based supervised learning. The Professional Skills developed by business and industry leaders across Arizona are integrated throughout the program. The **Home Health Aide** students develop leadership, social, civic, and career skills through participation in the Career and Technical Student Organization HOSA (Future Health Professionals).

The **Home Health Aide** instructional program prepares students for entry-level employment, further training, and/or post-secondary education for these and other occupations: Home Health Aide, Direct Care Giver, Caregiver, Patient Care Tech, Personal Care Assistant, and Direct Support Professional
