

915 for FY21: Technical Impact and File Specifications

AzEDS 915 process for FY21 using REST API 6.0

- REST API submission window for FY21 was closed on July 15th, 2021. To request the FY21 data correction LEAs should follow the 915 process. Please click [here](#) to know more.
- For FY21 there are two resource types:
 - Resources with student Id (provided in .csv file)
 - Resources without student Id (provided in 915 request letter)
- For resources with student id please use the .csv file format mentioned in this document below.
- For resources without student id please mention them in the request letter (List of resources available are given on page 2).
- After the LEAs get an approval from School Finance, the REST API window will be opened for corrections to the resources on the .csv file or in the letter.
- The AzEDS REST API 6.0 for FY2021 will ONLY accept the data based on the .csv file for student id resources and list mentioned in request letter for resources without student id.
- Integrity and ACE will run nightly for submitting LEAs during your approved open window.
