Arizona Department of Education
Nita M. Lowey 21st Century Community Learning Centers presents:

Annual Report
2020-2021
Year in Review
pub. July 2021
21st CCLC programs complement and expand on the regular school day by providing high quality academic enrichment opportunities for students, and meaningfully engaging the community and adult family members in helping their children succeed academically.
STUDENTS CAN LEARN when in distance, hybrid or in-person learning. Arizona’s 21st CCLC Title IV-B programs provide essential supports for students, their families and the whole school community which are critically important during the pandemic years.

ADDRESSING THE HIERARCHY OF NEEDS. 21st CCLC programs have the flexibility to support the reality that many layers of needs must be addressed in order for learning to occur. This flexible support is the primary purpose of 21st CCLC programs; to support students’ academic success through a myriad of methods.
By the Numbers

Student Participation in 2020-2021

23,240 Students
Served in 211 21st CCLC Centers across Arizona

Days of Programming Attended

Students who attend 30 days or more are considered “Regular Attendees”

ADE 21st CCLC Annual Customer Satisfaction Survey: Preliminary Results 2020-2021

ADE 21st CCLC staff work in collaborative manner with district/ school/ site program leaders.

Communication completely and effectively covers the scope of the topic addressed.

Each year, the ADE 21st CCLC team surveys their stakeholders, including coordinators, site administrators, district leaders, and other out of school time leaders in the field who work with ADE staff.

The 21st CCLC team uses the results of this survey to determine future areas of focus and action steps to improve quality customer service to the field.

Very Satisfied/Satisfied

If you could identify one thing that could do increase your satisfaction with our service, what would it be?

Source: Data from 21st CCLC Customer Satisfaction Survey 2021

Number of surveys completed: 310 | Response Rate: 56%
This year, COVID-19 may have changed family engagement in how it was delivered but sites reported rising to the challenge by delivering new and exciting opportunities outside of the traditional box.

In our 2021 Customer Satisfaction survey, 23% of respondents reported that family engagement had increased this year while 28% reported that it stayed the same from previous years.

By the numbers, total summer participation jumped dramatically, up 1700% from summer 2019 levels. Fall participation was down 20% and spring participation down 28% from the spring 2020 term.

In the FY21 Customer Satisfaction Survey, one respondent from the field shared: “... we were able to come up with some successful new ways to still engage families such as a drive thru trunk or treat, drive through festival of lights for Christmas, online zoom Paint night for families, nailed it cooking challenges and online zoom family cooking classes.” Another noted with pride: “[Families] knew that we are here for them”

On Tuesday May 18, 2021, the ADE’s 21st CCLC team hosted a virtual viewing party of NASA challenge participants’ final projects. Each team shared a video of their project and then answered live questions from NASA Scientist Aaron Yazzie. The recording of the event can be found here: https://vimeo.com/552599643.

Welcome to Arizona’s First 21st CCLC Culminating NASA Space Challenge

Congratulations!
The following schools are representing Arizona in the 2020-2021 NASA STEM CHALLENGE
