## Best Practice Implementation Project

- ✓ Wondering if you are using best practice strategies in your transition plans?

The ADE/ESS ST Team can help you determine if you are putting it all together.

- ✓ Courses of Study
- ✓ Aligned Annual IEP Goals

We are inviting case managers, specialists, and directors to send redacted IEPs to the email below. The ST Team will use a checklist based on [National Technical Assistance Center on Transition: The Collaborative's](#) best practice strategies to review five components of Indicator 13.

What to expect after you submit your redacted IEP:

- ✓ Confirmation the ST Team received the IEP.
- ✓ ST Team will contact you to schedule a virtual meeting to go over the checklist and feedback from the review process.

This information will not be used for monitoring; this is for technical assistance and your benefit only!

*Interested? Please make sure to redact ALL personal identifying information in the IEP and send it to [ESSTransition@azed.gov](mailto:ESSTransition@azed.gov)*
