

Integrity Error -51002

Error Message:

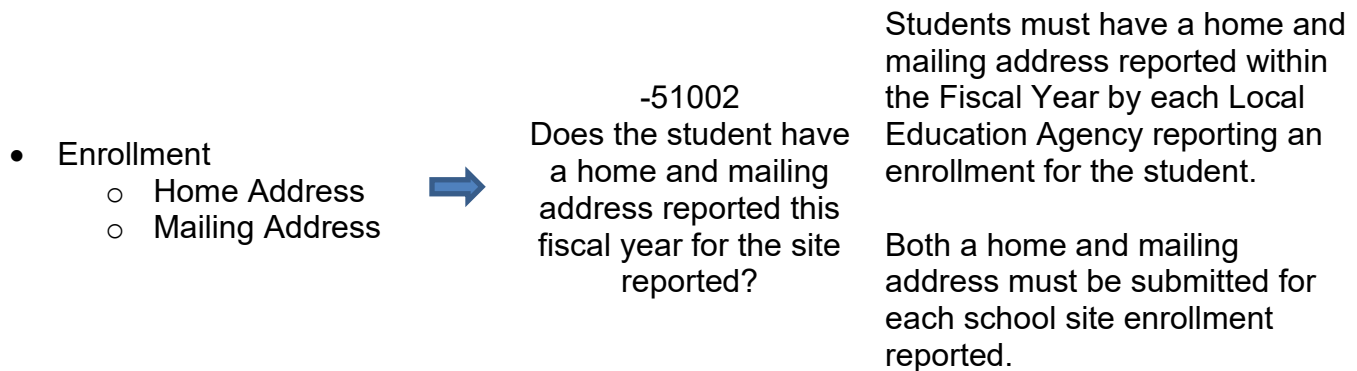

ADE program units expect that each student in Arizona is provided a mailing and home address to facilitate business operations.

Description:

If student with an enrollment submitted for the fiscal year does not have home and mailing address submitted then, report the discrepancy as an error.

NOTE: This integrity rule is introduced in FY22 under the integrity category: Data Quality Validation

Example:

Troubleshooting:

- Verify there is a home address reported for the student associated enrollment site and within the current fiscal year.
- Verify there is a mailing address reported for the student associated enrollment site and within the current fiscal year.
- Verify each address reported is labeled as either the home address or mailing address. (not physical)
- If the student attends multiple sites, ensure there is a home address reported for each school site enrollment.
- Once corrected, allow integrity to run overnight to see if student is passing integrity on INTEG15 report.
