## The Maricopa Community College Dual Enrollment Teachers Scholarship website launches!

As you may be aware, Dual Enrollment instructors teaching in academic disciplines at a Maricopa Community College must have a master's degree in the content area or a master's degree in any area with 18 credit hours of graduate-level courses in the area they plan to teach. ASU and NAU have developed graduate-level opportunities for our Dual Enrollment instructors! Additionally, funding opportunities are available for high school instructors who are currently teaching dual enrollment and for those new to the program.

**The NEW Arizona Teachers Academy tuition scholarship** is a great way for teachers to pay for those credits while pursuing their DE instructor qualifications. The scholarship funds are available for high school instructors who want to teach dual enrollment and to those who are already dual enrollment instructors. All funds are available on a first-come, first-served basis. For more about the program, please see the specific options available at the universities below.

- [Arizona State University](#)
- [Northern Arizona University](#)
- [University of Arizona](#)

**Who's eligible for this scholarship?** Any Arizona-certified high school teacher interested in teaching college-level courses for the Maricopa Community Colleges. Please share the [Maricopa Community Colleges - Dual Enrollment Teachers Scholarship website](#) with your local area high school partners.

### FREE Trainings for all educators until September 2022!

The Arizona Department of Education has partnered with the [Center for Recruitment and Retention of Mathematics Teachers \(CRR\)](#) to offer free professional learning opportunities until the end of September 2022! The goals of the institute are to provide teachers an exciting opportunity for professional growth, to establish a rich community of teachers on which to derive support and encouragement, and to create ongoing support for lasting and durable changes to teaching and learning in each classroom.
