## ESA Weekly Bulletin

**October 22, 2021**

Dear ESA parent,

### **COMPLIANCE TIPS OF THE WEEK!**

- **Using ESA funds to pay for *private school tuition*?** When making your payment through the ClassWallet portal, remember to categorize the expense as "**Private School Related Expenses**".
- **Contacting our team through HelpDesk about a *purchase or approval*?** Due to extremely high volume, please allow 5-7 days for a response. **We appreciate your patience!**

### **DID YOU KNOW?**

- We have a **searchable database of allowable items** at [ESA Allowable Items | Arizona Department of Education \(azed.gov\)](#). **No preapproval is needed for items listed in the database!**
- You can purchase reading books, textbooks, flashcards, educational games and more! Check out the **ESA Parent Handbook** for more information [ESA: Parent Handbook | Arizona Department of Education \(azed.gov\)](#)

**REMINDER!**

Although there are no more quarterly expense reports, ***if you are using the ClassWallet debit card, you need to upload AND categorize your receipts.*** Watch this short video on how to quickly and easily upload your receipts! <https://bit.ly/3m796fE>
