ESA Weekly Bulletin

November 12, 2021

Dear ESA parent,

ESA PARENT SURVEY

As we continuously work to improve the way the program functions for our families, **we are asking for your feedback on *two specific topics* that were recently discussed at our September Parent Advisory Council (PAC) meeting.** PAC meeting notes are available at <https://bit.ly/31MZsqM>

The PAC was developed last year as a structured means of getting parent feedback on specific ESA program processes and procedures. The PAC is a group of parents who meet several times a year with ESA staff to share challenges, give feedback and to discuss ways to improve the program for all ESA families.

The survey will only take a few minutes! Thank you in advance for participating!

NEW PARENT RESOURCE!

We are excited to introduce a new resource for ESA families! [New ESA Parent Information.pdf \(azed.gov\)](#).

All new account holders will receive this document automatically, however, ***we hope both our new and existing families find this additional content helpful!***

Inside, you'll find **step-by-step instructions** on accessing ClassWallet, making purchases, and how to use **HelpDesk** to easily communicate with our team!

DID YOU MISS IT?

If you missed our last town hall, **ESA 101**, *a video recording is available!*
