## ESA Weekly Bulletin

**November 5, 2021**

Dear ESA parent,

### **NEW PARENT RESOURCE!**

We are excited to introduce a new resource for ESA families! [New ESA Parent Information.pdf \(azed.gov\)](#). All new account holders will receive this document automatically, however, ***we hope both our new and existing families find this additional content helpful!***

Inside, you'll find step-by-step instructions on accessing ClassWallet, making purchases, and how to use HelpDesk to easily communicate with our team!

### **DID YOU KNOW?**

We have a searchable database of allowable items at [ESA Allowable Items | Arizona Department of Education \(azed.gov\)](#). ***No preapproval is needed for items listed in the database!*** You can purchase reading books, textbooks, flashcards, educational games and more!

If you have any questions, please feel free to reach out. We are always happy to help!

Best,

Sarah Raybon
