

SECONDARY ELA BOOK STUDY

Fundamentals of Literacy Instruction and Assessment, Grades 6-12

by Martha C. Hougen,
PhD.

The Text: Prepare educators to strengthen the literacy skills of students in Grades 6–12 with this adolescent literacy textbook, based on current research, standards, and recommended instructional practices. This expertly organized volume covers all the fundamentals of how reading and writing skills develop in older students and how to teach literacy within key academic content areas: language arts, math, science, and history. This text includes classroom examples, helpful objectives and summaries, and sample lesson plans.
