Reporting Guide

21st CCLC APR Reporting Guide

Coming in December!

- Information accessible in one place
 - So don't have to compile all together from GPRA Updates
- Districts need to be able to point to something for changes and to make plans/decisions now
- Enough information now that APR is taking shape

21st CCLC APR Reporting Guide (cont.)

The Reporting Guide is:

- An accumulation of all definitions/guidance *to date*
- An ongoing document- latest version of information but subject to change in next version
 - As more information becomes available, we will update
- A useful tool to drive decisions now so don't have to re-watch all GPRA Updates

Reporting Guide- what it's not

The Reporting Guide is *not*:

- The final guidance for the 2021-2022 Annual Performance Report
 - Subject to updates
- A replacement for GPRA Updates
 - Will not include conversation or collaboration, strictly all information so far collected in one place
