Eligible Applicant(s)

ABSOLUTE PRIORITY - Applications proposing services to schools with less than 40% low-income students will <u>not</u> be considered

The term "eligible entity" means a local education agency (LEA), community-based organization, Indian tribe or tribal organization (as such terms are defined in section 4 of the Indian Self-Determination and Education Act), another public or private entity, or consortium of 2 or more such agencies, organizations or entities.

CONT. ELIGIBLE APPLICANT(S)

Each 21st CCLC Program Application may serve only the students of one qualifying school (Site), and each 21st CCLC Program award under that Application is Site-specific. Applications for 21st CCLC funding must be made under the District (Lead Fiscal Agent) which the school (Site) operates under.

If an "eligible entity" is not the school site's District, then the entity must apply under a District (Lead Fiscal Agent) for 21st CCLC funding for a specific Site or Sites within the District as a Participating Member Eligible Entity.

NON-ELIGIBLE APPLICANT(S)

All Needs Assessments and School/Community Level Data must be based on the current and prior years' statistics. Therefore, the school must have been open for at least one year prior to application submission to be eligible.

Online Schools may not apply for 21st CCLC funding.

Joint Technological Education District (JTED) sites are not eligible to apply for 21st CCLC funding to serve students from multiple schools.

ELIGIBLE APPLICANT(S)

There are two pathways for "eligible entities" to receive 21st CCLC program funds in partnership with the District and its school Sites:

Consortium Model - (Program Service Provider)

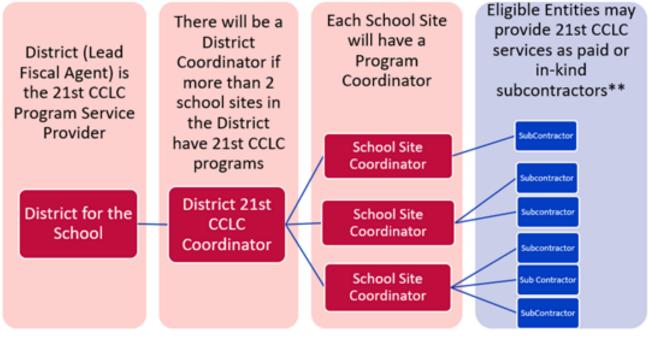

TWO PATHWAYS FOR "ELIGIBLE ENTITIES"

1. Standard Partnership Model

Standard Partnership Model

**There is no limit to subcontractors per site.

2. Consortium Model

Consortium Model

Consortium formed with a School District - Rarely, applicants choose this Consortium Model

District (Lead Fiscal Agent)

- Completes expectations of LEAD FISCAL AGENT on Forms F & G of the 21st CCLC Application

District for the School There will be a District Coordinator if more than 2 school sites in the district have 21st CCLC programs

TWO PATHWAYS FOR "ELIGIBLE ENTITIES"

- All but a few applicants choose the Standard Partnership Model (Option 1).
 Most ADE 21st CCLC program sites operate under this model. Rarely, an applicant chooses the Consortium Model (Option 2).
- An "eligible entity" MUST partner with and operate the 21st CCLC program under the District (Lead Fiscal Agent) for several reasons; the most important being the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) which is a Federal law that protects the privacy of student education records. Access to student level data protected by FERPA is necessary to complete required state and federal reporting for this federal grant.
